DETAILED ACTION

- Claims 1-8, and 11-22 remain pending.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 11, 12, 14, 19, and 21-22 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

- In reference to claims 11, 12, 14, 19, 21-22

The term "substantially" is a relative term which renders the claim indefinite. The term "substantially" is not defined by the claim, the specification does not provide a standard for ascertaining the requisite degree, and one of ordinary skill in the art would not be reasonably apprised of the scope of the invention.

Allowable Subject Matter

Claims 1-8, 13, 15-18, and 20 are allowed.

Claims 11, 12, 14, 19, 21-22 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Response to Arguments

Applicant's arguments filed 07/25/2008, with respect to independent claims 1, 13, and 20 have been fully considered and are persuasive. The previous rejection of claims 1, 13, and 20 has been withdrawn.

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure are:
